certified athletic trainers - program physician - orthopaedic surgeons - physical therapists

## Sports Injury Hotline: 800.334.0711

The Dickinson SportsMed Center takes sports just as seriously as you do. The athletic trainers, rehabilitation staff, and Dr. Wolfe have teamed up with Board Certified orthopaedic surgeons at Northern Orthopaedics to create a Sports Injury Team that works just as hard as you and your team mates do. If you or any of your fellow athletes become injured, this team of medical professionals works together to get you back in the game as quickly ... and safely ... as possible.

Proceeds for the U.P. Football All-Star Game and the entire week of activities will be donated to **The Beacon House** and **The U.P. Sports Hall of Fame**. The Beacon House is a non-profit organization that provides a very valuable service to many families in the U.P. who have loved ones receiving treatment in the Marquette area. Their operations are funded solely on the donations and generosity of the community. The U.P. Sports Hall of Fame, which is operated by the **U.P. Sports Writers**, gives out yearly scholarships to deserving individuals who are pursuing a college education. The Hall of Fame recognizes individuals that have made an impact on the U.P. through their athletic achievements. The U.P. Sports Writers provide people in the U.P. with the information they need in all of the newspapers and media throughout the U.P. They are the eyes and ears of the news, of which we could not live without. Thank you to both The Beacon House and The U.P. Sports Hall of Fame, as well as the U.P. Sports Writers, for all of your great work.

Thank you to **Steve Mariucci** for all that he has done for the U.P., and for speaking at the All-Star Banquet. Steve serves as an excellent role model for young athletes and citizens. His pride in the U.P. and dedication to giving back to the communities that helped him on his path of success is a motivation for the U.P. Football All-Star Game.

We plan to continue this game for many years, and help many of the schools and players throughout the U.P. We will follow his example by giving back to the people who are making this game possible.

## Need to raise money?

Looking for a no-risk, no-hassle fundraising solution?

## *We Can Help.*

### *What's in it for you?*

Tri Star Celebrations is a reputable provider of authentic, high-quality sports memorabilia. Our main focus is helping your organization raise money through silent auction fundraisers. We provide our pieces to you to auction at your benefit.

We offer artwork, canvases, photos, jerseys, mini-helmets, pucks, sticks, plaques and more. All autographed pieces come with a signed certificate of authenticity. We've helped hundreds of organizations raise money with these items, including The March of Dimes, Northern Michigan University Hockey and Big Brothers, Big Sisters. There is no cost to you – you can only raise funds.

### *How does it work?*

We are proud to present a no-risk, no-hassle **silent auction** where:

- \* We put together a list of pieces especially for you. We will select a variety of items with teams and players that are popular in your area and with a price range that is appropriate for your event.
- \* We ship the items and bid sheets to you free of charge.
- \* Each item has a consignment price and a minimum bid price. After one person makes the minimum bid on one item, you've already made a profit. Bidding goes up and up – and you keep all of the funds above the consignment price.
- \* There is no cost to you and we take the risk – if items don't sell, we take them back free of charge.

Call us at 906.225.1794 or 866.906.1794 and we will answer any questions and help you *get everything set* for your silent auction. We would be honored to work with your organization. We look forward to hearing from you soon.

Sincerely,

Tri Star Celebrations

*"Tri Star Celebrations provides you with a quality product and outstanding customer service. We have used their products for our silent auctions at our events and not only have we greatly increased our revenue, but because of their service, our work was minimal. We will continue to use Tri Star Celebrations at all of our events."*

# U.P. FOOTBALL ALL-STAR GAME

## **History**

The U.P. Football All-Star Game first started in 1946. The idea was conceived by Negaunee High School Athletic Director, Oscar Wassberg, who envisioned an annual football game comprised of the U.P.'s top high school gridders who had just graduated. There was no official title to the game, other than "U.P. All-Star Game". The All-Star Game was played at the Negaunee Playgrounds, with the players sleeping on cots in Negaunee High School's gymnasium for the first year. In an effort to stop U.P. coaches from organizing a U.P.-exclusive event, the Michigan High School Athletic Association (MHSAA) declared that Michigan high school coaches and officials could not be associated with the game, under penalty of suspension from coaching and officiating for a year, possibly longer. The game appeared to be doomed after only one year. A "recreation committee" was formed, and with O.J. "Moose" LaCombe as the director for the second year, the game continued using Wisconsin coaches, and other coaches with various U.P. ties, to head the teams. The game was played for four more years, under the direction of Edward Stevens, ending for unknown reasons in 1951. The All-Star Game was played a total of six years, from 1946-1951.

## **Past to Present**

Melvin "Matt" Syrja played in the 1949 All-Star Game as a newly graduated Negaunee High School student (#1 in the 1949 All-Star team picture). Matt received his BS degree in Secondary Education from Northern Michigan University and his MS from the University of Michigan. He taught mathematics and science at Gwinn High School for 27 years. Matt served in many different roles within the school and community, including being the math department head and coaching many different sports and extracurricular activities. Matt married Elaine Larson, from Suomi, and had 5 children, Steve, Jim, David, Dennis and Jodi. Matt passed away in 1998, but his daughter, Jodi, would make the connection which would lead to the all-star game being started again, 59 years after he played in one of the last.

Jodi attended Northern Michigan University for both undergraduate and graduate school, and was living in Madison, WI when she met her future husband, Todd Goldbeck, a native of Madison. Todd attended UW-LaCrosse, where he played football and graduated with a Doctor of Physical Therapy degree. Todd started Xcel Sports Training, a company that specializes in presenting events called Recruiting Combines. Combines are designed to test high school athletes in various physical categories, including speed, strength and agility, with the results being sent to colleges across the country. The purpose is to help those athletes pursue their athletic careers at the collegiate level. Todd learned of Matt's involvement in the 1949 All-Star Game and that was the initial motivation for starting the current U.P. Football All-Star Game.

## **The Present U.P. Football All-Star Game**

Xcel was performing a Combine at the Superior Dome in 2006, when the idea of having an All-Star Game just for U.P. players was suggested. Michigan has an all-star game, which is held in Lansing each year, but with over 700 high schools in the state, the entire U.P. often will only have 1-2 players selected to participate. A U.P. all-star game would provide many more U.P. players the opportunity to take part in the event. It was talked about briefly with some parents and athletes, but only as wishful thinking. The concept of a U.P. all-star game was apparently the topic of water-cooler discussions and bar debates for many years prior (probably since the last all-star game in 1951). At the 2007 Superior Dome Combine, the idea was again raised, but this time, it was met with an excitement not matched by the year before. It was decided at that time that Xcel would take on the task of organizing the game. The passion for U.P. high school football, displayed by the players, parents and fans, will be the signature for this event for years to come. For many, the year 2008 marks the first U.P. Football All-Star Game, but it is simply the continuation of an event that started a long time ago. It will always be a tribute to the players and coaches of the 1940's and 1950's, who had the determination to start something new and special for the U.P. Enjoy the game.
