If you or any of your fellow athletes become injured, this team of medical professionals works together to get you back in the game as quickly ... and safely ... as possible.

We're All On The Same Team

Economic recovery in Upper Michigan is at hand. The pieces are falling into place and people all over the U.P. are doing the things needed to make it happen. They're buying Made in the U.P. products. They're taking vacations close to home. They're volunteering for good causes and helping people who need help. They're working together to make the U.P. strong. It'll take a team effort to get the pieces back together.

Watch TV6, both on-air and on-line for on going reports on the progress being made as we work together for success.

BENEFICIARIES

Proceeds for the U.P. Football All-Star Game and the entire week of activities will be donated to several U.P. charities. **The Beacon House** is a non-profit organization that provides a very valuable service to many families in the U.P. who have loved ones receiving medical treatment in the Marquette area. Their operations are funded solely on the donations and generosity of the U.P. communities. **The U.P. Sports Hall of Fame** honors U.P. athletes that have made an impact on the U.P. through their athletic achievements and gives out yearly scholarships to deserving individuals who are pursuing a college education. The goal of the **YMCA Strong Kids Program** is to ensure that no one is denied the opportunity to participate in life-building experiences, such as swim lessons, summer day camp, membership or youth sports opportunities. **Bay Cliff Health Camp** is a therapy center and outdoor recreational camp for handicapped children and adults and is a unique facility for hosting health, wellness and educational programs. Two U.P. high schools (**Ewen-Trout Creek** and **Norway**) were randomly drawn and will also receive donations directly to their football programs.

Thank you to all U.P. businesses and individuals who sponsored the players and coaches. Without your generosity, this game would not be possible.

Thank you to all of the coaches. It is because of your guidance that the players have accomplished so many great feats on and off the field. These boys have developed into young men as the result of their time spent with you.

Thank you to all parents, family and friends for your support and encouragement of the players and coaches.

Thank you to **Steve Mariucci** for allowing us to use his many connections in the NFL throughout the process.

The Beacon House

Upper Michigan's Hospitality House

Our Mission

The mission of Beacon House is to provide lodging and other supportive services in a "home like" environment for patients and their caregivers traveling to Marquette County for medical treatment.

Over 85,000 served...

As an independent 501(c)(3) nonprofit charitable organization, Beacon House has served over 85,000 guests in our first 6 years of operation. Our hospitality house provides a clean, convenient and compassionate place with all of the comforts of home.

Convenient location...

Located at 1301 North Third Street in Marquette near several restaurants and shops, Beacon House is just a 5 minute walk or short drive to Marquette General Health System. From the hospital, it is only a few blocks further to Peninsula Medical Center.

No fees charged...

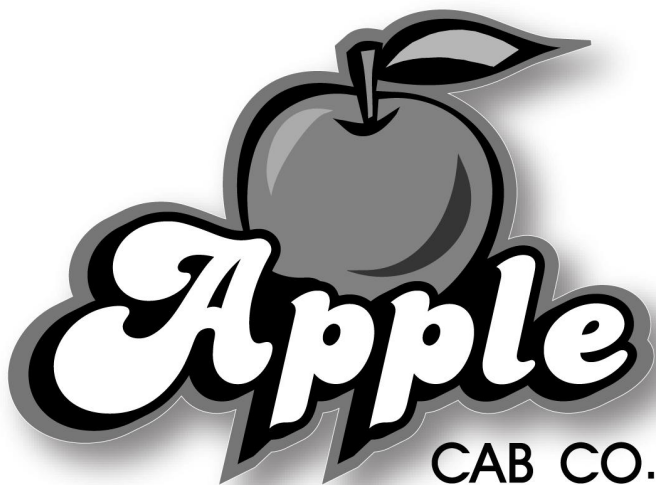

There is no charge to stay at Beacon House. Our guests are expected to make a donation that is comfortable for them.

Reliant on your generosity...

As a charitable ministry, our fiscal sustainability is reliant on the generosity of our partners;

- The health care community, foundations.
- Businesses, service clubs, churches.
- Individual donations by our guests, and all those who understand that the need for Beacon House may only be a heartbeat away.

U.P. FOOTBALL ALL-STAR GAME

History

The U.P. Football All-Star Game first started in 1946. The idea was conceived by Negaunee High School Athletic Director, Oscar Wassberg, who envisioned an annual football game comprised of the U.P.'s top high school gridders who had just graduated. There was no official title to the game, other than "U.P. All-Star Game". The All-Star Game was played at the Negaunee Playgrounds, with the players sleeping on cots in Negaunee High School's gymnasium for the first year. In an effort to stop U.P. coaches from organizing a U.P.-exclusive event, the Michigan High School Athletic Association (MHSAA) declared that Michigan high school coaches and officials could not be associated with the game, under penalty of suspension from coaching and officiating for a year, possibly longer. The game appeared to be doomed after only one year. A "recreation committee" was formed, and with O.J. "Moose" LaCombe as the director for the second year, the game continued using Wisconsin coaches, and other coaches with various U.P. ties, to head the teams. The game was played for four more years, under the direction of Edward Stevens, ending for unknown reasons in 1951. The All-Star Game was played a total of six years, from 1946-1951.

Past to Present

Melvin "Matt" Syrja played in the 1949 All-Star Game as a newly graduated Negaunee High School student (#1 in the 1949 All-Star team picture). Matt received his BS degree in Secondary Education from Northern Michigan University and his MS from the University of Michigan. He taught mathematics and science at Gwinn High School for 27 years. Matt served in many different roles within the school and community, including being the math department head and coaching many different sports and extracurricular activities. Matt married Elaine Larson, from Suomi, and had 5 children, Steve, Jim, David, Dennis and Jodi. Matt passed away in 1998, but his daughter, Jodi, would make the connection which would lead to the all-star game being started again, 59 years after he played in one of the last.

Jodi attended Northern Michigan University for both undergraduate and graduate school, and was living in Madison, WI when she met her future husband, Todd Goldbeck, a native of Madison. Todd attended UW-LaCrosse, where he played football and graduated with a Doctor of Physical Therapy degree. Todd started Xcel Sports Training, a company that specializes in presenting events called Recruiting Combines. Combines are designed to test high school athletes in various physical categories, including speed, strength and agility, with the results being sent to colleges across the country. The purpose is to help those athletes pursue their athletic careers at the collegiate level. Todd learned of Matt's involvement in the 1949 All-Star Game and that was the initial motivation for starting the current U.P. Football All-Star Game.

The Present U.P. Football All-Star Game

Xcel was performing a Combine at the Superior Dome in 2006, when the idea of having an All-Star Game just for U.P. players was suggested. Michigan has an all-star game, which is held in Lansing each year, but with over 700 high schools in the state, the entire U.P. often will only have 1-2 players selected to participate. A U.P. all-star game would provide many more U.P. players the opportunity to take part in the event. It was talked about briefly with some parents and athletes, but only as wishful thinking. The concept of a U.P. all-star game was apparently the topic of water-cooler discussions and bar debates for many years prior (probably since the last all-star game in 1951). At the 2007 Superior Dome Combine, the idea was again raised, but this time, it was met with an excitement not matched by the year before. It was decided at that time that Xcel would take on the task of organizing the game. The passion for U.P. high school football, displayed by the players, parents and fans, will be the signature for this event for years to come. For many, the year 2008 marks the first U.P. Football All-Star Game, but it is simply the continuation of an event that started a long time ago. It will always be a tribute to the players and coaches of the 1940's and 1950's, who had the determination to start something new and special for the U.P. Enjoy the game.
