BENEFICIARIES

Proceeds for the U.P. Football All-Star Game and the entire week of activities will be donated to several U.P. charities. All food donated was contributed to the **Beacon House food pantry**. The **footballs** are divided between the two head coaches-**Menominee & Baraga** (18 new footballs each). The full set of **black/white practice jerseys** (42 jerseys) will be donated to the **Gwinn** football program. The full set of **white/maroon practice jerseys** (40 jerseys) will be donated to the **North Dickinson** football program. Two U.P. high schools (**Superior Central & Bessemer-Wakefield-Marenisco**) were also randomly drawn and will receive \$1000 donations, which is to be used to better any area of their football programs. The players and coaches also made a trip to **Bay Cliff Health Camp**, which is located in Big Bay, to visit their campers, motivate them, and show them some football skills/drills. Bay Cliff is a summer camp for physically disabled children, and a cash donation was also made to Bay Cliff, on behalf of the All-Star Game.

Thank you to all U.P. businesses and individuals who sponsored the players and coaches. Without your generosity, this game would not be possible.

Thank you to all of the coaches. It is because of your guidance that the players have accomplished so many great feats on and off the field. These boys have developed into young men as the result of their time spent with you.

Thank you to all parents, family and friends for your support and encouragement of the players and coaches.

Thank you to **Eric Beverly** for being the keynote speaker at the All-Star Banquet.

U.P. FOOTBALL ALL-STAR GAME

History

The U.P. Football All-Star Game first started in 1946. The idea was conceived by Negaunee High School Athletic Director, Oscar Wassberg, who envisioned an annual football game comprised of the U.P.'s top high school gridders who had just graduated. There was no official title to the game, other than "U.P. All-Star Game". The All-Star Game was played at the Negaunee Playgrounds, with the players sleeping on cots in Negaunee High School's gymnasium for the first year. In an effort to stop U.P. coaches from organizing a U.P.-exclusive event, the Michigan High School Athletic Association (MHSAA) declared that Michigan high school coaches and officials could not be associated with the game, under penalty of suspension from coaching and officiating for a year, possibly longer. The game appeared to be doomed after only one year. A "recreation committee" was formed, and with O.J. "Moose" LaCombe as the director for the second year, the game continued using Wisconsin coaches, and other coaches with various U.P. ties, to head the teams. The game was played for four more years, under the direction of Edward Stevens, ending for unknown reasons in 1951. The All-Star Game was played a total of six years, from 1946-1951.

Past to Present

Melvin "Matt" Syrja played in the 1949 All-Star Game as a newly graduated Negaunee High School student (#1 in the 1949 All-Star team picture). Matt received his BS degree in Secondary Education from Northern Michigan University and his MS from the University of Michigan. He taught mathematics and science at Gwinn High School for 27 years. Matt served in many different roles within the school and community, including being the math department head and coaching many different sports and extracurricular activities. Matt married Elaine Larson, from Suomi, and had 5 children, Steve, Jim, David, Dennis and Jodi. Matt passed away in 1998, but his daughter, Jodi, would make the connection which would lead to the all-star game being started again, 59 years after he played in one of the last.

Jodi attended Northern Michigan University for both undergraduate and graduate school, and was living in Madison, WI when she met her future husband, Todd Goldbeck, a native of Madison. Todd attended UW-LaCrosse, where he played football and graduated with a Doctor of Physical Therapy degree. Todd started Xcel Sports Training, a company that specializes in presenting events called Recruiting Combines. Combines are designed to test high school athletes in various physical categories, including speed, strength and agility, with the results being sent to colleges across the country. The purpose is to help those athletes pursue their athletic careers at the collegiate level. Todd learned of Matt's involvement in the 1949 All-Star Game and that was the initial motivation for starting the current U.P. Football All-Star Game.

The Present U.P. Football All-Star Game

Xcel was performing a Combine at the Superior Dome in 2006, when the idea of having an All-Star Game just for U.P. players was suggested. Michigan has an all-star game, which is held in Lansing each year, but with over 700 high schools in the state, the entire U.P. often will only have 1-2 players selected to participate. A U.P. all-star game would provide many more U.P. players the opportunity to take part in the event. It was talked about briefly with some parents and athletes, but only as wishful thinking. The concept of a U.P. all-star game was apparently the topic of water-cooler discussions and bar debates for many years prior (probably since the last all-star game in 1951). At the 2007 Superior Dome Combine, the idea was again raised, but this time, it was met with an excitement not matched by the year before. It was decided at that time that Xcel would take on the task of organizing the game. The passion for U.P. high school football, displayed by the players, parents and fans, will be the signature for this event for years to come. For many, the year 2008 marks the first U.P. Football All-Star Game, but it is simply the continuation of an event that started a long time ago. It will always be a tribute to the players and coaches of the 1940's and 1950's, who had the determination to start something new and special for the U.P. Enjoy the game.

I give my all - all of the time.
I do not give up. I do not give in.
I do not give out.
I am the Lord's warrior - a competitor

and a disciple of determination.
I am confident beyond reason
because my confidence lies in Christ.
The results of my efforts must result in
His glory.
Let the competition begin.
