Proceeds for the U.P. Football All-Star Game and the entire week of activities will be donated to several U.P. charities. All food donated was contributed to the **Beacon House food pantry**. The **footballs** are divided between the two head coaches-**Bark River-Harris & West Iron County** (12 new footballs each). The full set of **black/white practice jerseys** (45 jerseys) will be donated to the **Gogebic** football program. The full set of **maroon/white practice jerseys** (45 jerseys) will be donated to the **Ontonagon** football program. Two U.P. high schools (**Westwood & Menominee**) were also randomly drawn and will receive \$1000 donations, which is to be used to better any area of their football programs. The players and coaches also made a trip to **Bay Cliff Health Camp**, which is located in Big Bay, to visit their campers, motivate them, and show them some football skills/drills. Bay Cliff is a summer camp for physically disabled children, and a cash donation was also made to Bay Cliff, on behalf of the All-Star Game. A cash donation is also made each year to the **U.P. Sports Hall of Fame** to fund a scholarship. The 50/50 raffle is assisted by the **Negaunee Booster Club** and the all-star game portion is donated to the Negaunee Booster Club.

Thank you to all U.P. businesses and individuals who sponsored the players and coaches. Without your generosity, this game would not be possible.

Thank you to all of the coaches. It is because of your guidance that the players have accomplished so many great feats on and off the field. These boys have developed into young men as the result of their time spent with you.

Thank you to all parents, family and friends for your support and encouragement of the players and coaches.

## U.P. FOOTBALL ALL-STAR GAME

# *In Loving Memory Bill Blohm "Bloomer"*

Bloomer...what can I say about a friend such as him? When you look up the definition of friend, there should be a picture of Bloomer. Complete loyalty. He would throw down on anyone anywhere to defend you. Complete support. No matter how up or down you were, he would be there with unwavering encouragement and positivity. Complete selflessness. He would set everything in his life aside to help you with whatever you needed. Complete Yooper. Bloomer was all about the U.P. If it had to do with the U.P., then it had to do with Bloomer. He knew everyone, and everyone loved him. There is not one other person who was more instrumental in starting the U.P. Football All-Star Game than Bloomer. There was nobody who spent more time securing media coverage and promoting the game than Bloomer. Everywhere he went, and everything he did for the past 10 years somehow revolved around promoting this event. Saying thank you never even came close to covering it. His signature will be on the game forever, and most people never even knew it, because he did it all for the U.P. community and wanted no credit for himself. All he wanted was a ticket to the game, and to know that this event was the best of its kind in the country, and everyone else could be jealous of how great the U.P. was. I cherish all the visions, conversations and dreams of what this game could be and what it might mean to the U.P. community over time. Bloomer was part of it all before it ever came to be, and his spirit will be part of it every year it continues on. If you concentrate hard on game day, you can still see him sitting on the president's deck, on his phone, posting on social media and tirelessly promoting the game, all the way through the final awards, making sure everyone knew what was happening. There is no doubt he is in heaven telling anyone who will listen about how awesome the U.P. Football All-Star Game is, then asking God if there is any way He can give us more exposure down here. Classic Bloomer move. There will never be another Bloomer. Ever. He was a true friend.

# U.P. FOOTBALL ALL-STAR GAME

## History

The U.P. Football All-Star Game first started in 1946. The idea was conceived by Negaunee High School Athletic Director, Oscar Wassberg, who envisioned an annual football game comprised of the U.P.'s top high school gridders who had just graduated. There was no official title to the game, other than "U.P. All-Star Game". The All-Star Game was played at the Negaunee Playgrounds, with the players sleeping on cots in Negaunee High School's gymnasium for the first year. In an effort to stop U.P. coaches from organizing a U.P.-exclusive event, the Michigan High School Athletic Association (MHSAA) declared that Michigan high school coaches and officials could not be associated with the game, under penalty of suspension from coaching and officiating for a year, possibly longer. The game appeared to be doomed after only one year. A "recreation committee" was formed, and with O.J. "Moose" LaCombe as the director for the second year, the game continued using Wisconsin coaches, and other coaches with various U.P. ties, to head the teams. The game was played for four more years, under the direction of Edward Stevens, ending for unknown reasons in 1951. The All-Star Game was played a total of six years, from 1946-1951.

## Past to Present

Melvin "Matt" Syrja played in the 1949 All-Star Game as a newly graduated Negaunee High School student (#1 in the 1949 All-Star team picture). Matt received his BS degree in Secondary Education from Northern Michigan University and his MS from the University of Michigan. He taught mathematics and science at Gwinn High School for 27 years. Matt served in many different roles within the school and community, including being the math department head and coaching many different sports and extracurricular activities. Matt married Elaine Larson, from Suomi, and had 5 children, Steve, Jim, David, Dennis and Jodi. Matt passed away in 1998, but his daughter, Jodi, would make the connection which would lead to the all-star game being started again, 59 years after he played in one of the last.

Jodi attended Northern Michigan University for both undergraduate and graduate school, and was living in Madison, WI when she met her future husband, Todd Goldbeck, a native of Madison. Todd attended UW-LaCrosse, where he played football and graduated with a Doctor of Physical Therapy degree. Todd started Xcel Sports Training, a company that specializes in presenting events called Recruiting Combines. Combines are designed to test high school athletes in various physical categories, including speed, strength and agility, with the results being sent to colleges across the country. The purpose is to help those athletes pursue their athletic careers at the collegiate level. Todd learned of Matt's involvement in the 1949 All-Star Game and that was the initial motivation for starting the current U.P. Football All-Star Game.

## The Present U.P. Football All-Star Game

Xcel was performing a Combine at the Superior Dome in 2006, when the idea of having an All-Star Game just for U.P. players was suggested. Michigan has an all-star game, which is held in Lansing each year, but with over 700 high schools in the state, the entire U.P. often will only have 1-2 players selected to participate. A U.P. exclusive all-star game would provide many more U.P. players the opportunity to take part in the event. It was talked about briefly with some parents and athletes, but only as wishful thinking. The concept of a U.P. all-star game was apparently the topic of water-cooler discussions and bar debates for many years prior in the U.P. (probably since the last all-star game in 1951). At the 2007 Superior Dome Combine, the idea was again raised, but this time, it was met with an excitement not matched by the year before. It was decided at that time that Xcel would take on the task of organizing the game. The passion for U.P. high school football displayed by the players, parents and fans, would be the signature for this event for years to come. For many, 2008 marks the first U.P. Football All-Star Game, but it is simply the continuation of an event that started a long time ago. It will always be a tribute to the players and coaches of the 1940's and 1950's, who had the determination to start something new and special for the U.P. The modern version of the game pitted East vs. West, and stayed that way for the first 7 years (2008-2014). In 2015, the game switched to a North vs South format to create new player and coach match ups. In 2017, for the 10<sup>th</sup> anniversary, the players were selected by the coaches in a "fantasy-style" draft, and that "draft" style continued for the 2018 installment. Enjoy the game!
